

Ava Glider

502210

The Ava Glider from Delta Children goes beyond classic good looks. It starts with a sturdy wood frame along with a hidden gliding and swivel mechanism for long-lasting durability, and is finished with a super-soft cushion, sleek silhouette and microfiber fabric that stands up to stains. A cozy place to spend time with your baby, its beauty lasts a lifetime, effortlessly moving from the nursery to living room, or anywhere else you need a soft place to land.

- Wood frame construction for a durable build
