

Lux Swivel Chair

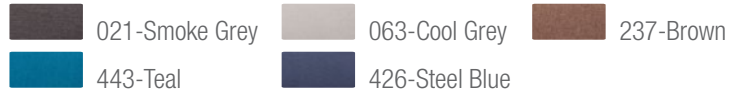

51210

Not only does the sturdy metal base allow this armchair to swivel back and forth, making it the perfect place for reading, relaxing or bonding with baby, but it also adds an extra modern edge to the chair's streamlined profile. Contoured for maximum comfort, it moves with your body and features a spring-loaded mechanism that ensures it always returns to the center.

- Contemporary design
- Chair swivels 90° to both the left and right of center
- Seat is spring loaded to always come back to the center
- Seat is contoured for maximum comfort
- Moves with your body to create ergonomic comfort
