THIS PRODUCT IS NOT INTENDED FOR INSTITUTIONAL OR COMMERCIAL USE.

If you have any questions or missing parts, contact us. DO NOT return product parts to the store from where it was purchased before contacting Delta Children’s Products Customer Service. Make sure that all preassemble parts are tight. The appearance of your product may be different from that pictured in this booklet.

©2010 DELTA ENTERPRISE CORP.
**CAUTION:** ANY MATTRESS USED IN THIS CRIB MUST BE AT LEAST 27 1/4 INCHES BY 51 5/8 INCHES WITH A THICKNESS NOT EXCEEDING 6 INCHES.

**WARNING:** CRIB

Infants can suffocate on soft bedding. Never add a pillow or comforter. Never place additional padding under an infant.

Failure to follow these warnings and the assembly instructions could result in serious injury or death.

To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.

**ADULT ASSEMBLY REQUIRED DUE TO SMALL PARTS.**

*Read all instructions before assembling crib. **KEEP INSTRUCTIONS FOR FUTURE USE.**

*Strangulation Hazard: STRINGS CAN CAUSE STRANGULATION! Do not place items with a string around a child’s neck, such as hood strings or pacifier cords. Do not suspend strings over a crib or attach strings to toys.

*Strangulation Hazard: To help prevent strangulation tighten all fasteners. A child can trap parts of the body or clothing on loose fasteners.

*Strangulation Hazard: Do not place crib near window where cords from blinds or drapes may strangle a child.

*Fall Hazard: When child is able to pull to a standing position, set mattress to lowest position and remove bumper pads, large toys and other objects that could serve as steps for climbing out. This crib has an adjustable mattress support. For the convenience of the parent when the baby is very small, the mattress support may be used in the highest position. Important: with the mattress support and mattress in the highest position, be absolutely sure that the top of the front crib side is at least 3 inches higher then the top surface of the mattress. If it is not, lower the mattress support and the mattress to the next highest position.

*Fall Hazard: Stop using crib when child begins to climb out or reaches a height of 35in. (90cm), whichever occurs first. The child should be placed in a youth or regular bed.

*Check this product for damaged hardware, loose joints, missing parts or sharp edges before and after assembly and frequently during use. **Do not use crib** if any parts are missing, damaged or broken. Contact Delta Children’s Products for replacement parts and instructional literature if needed. Do not substitute parts.

*Follow warnings on all products in a crib.

*Do not use a water mattress with this crib.

*If refinishing, use a non-toxic finish specified for children's products.

*Never use plastic shipping bags or other plastic film as mattress covers because they can cause suffocation.

*Infants can suffocate in gaps between crib sides and a mattress that is too small.

*Ensure a safe environment for the child by checking regularly, before placing the child in the crib, that every component is properly and securely in place.

*To avoid head injury, do not allow any child to play underneath the crib.

*Never add an accessory such as a bassinet or changing table that extends over the sleeping area.
**WARNING ENTRAPMENT/STRANGULATION HAZARD**

*INFANTS HAVE DIED IN TODDLER BEDS FROM ENTRAPMENT AND STRANGULATION. Failure to follow these warnings and the assembly instructions could result in serious injury or death.*
*Never use bed with children under 15 months.*
*Never place bed near windows where cords from blinds or drapes may strangle a child.*
*Do not place items with a string, cord, or ribbon around a child’s neck, such as hood strings or pacifier cords.*
*Do not suspend strings over a toddler bed for any reason.*
*The users maximum weight shall not be greater than 50 lb (22.7kg).*
*The mattress intended for use on the bed shall be a full-size crib mattress having minimum dimensions of 51 5/8 in. (1310 mm) in length, 27 1/4 in. (690 mm) in width and 4 in. (100 mm) in thickness.*
*Stabilizer bar(s) must be used when converted to a toddler bed.*

**WARNING: CHANGING TABLE**

Fall hazard - to prevent death or serious injury, always keep child within arm's reach.
Read all instructions before use of the changing table.
KEEP THESE INSTRUCTIONS IN A SAFE PLACE FOR FUTURE USE.
Inspect the changing table periodically. **Do not** use the changing table if it is damaged or broken.
Contact Delta Children’s Products with any questions.
Tighten all loose screws and bolts before each use.
The maximum recommended weight of the child is 30lbs for the changing table.
Use only the pad provided by Delta Children’s Products.
Always secure the pad to the changing surface by inserting the strap through the hole in the middle of the pad. See Instructions.

**NOTES ON ASSEMBLY:**
- During the assembly process whenever using screws or bolts, check each by placing the screw/bolt on the diagram of the item which is drawn actual size and design. Be sure to use the proper size and shape specified in the instructions.
- To assemble this unit you may be required to place the unit on it’s side and face. It is strongly recommended that assembly is done on a soft, non-abrasive surface to avoid damaging the finish.

**NOTES ON USE:**
Keep children and others safe by following these simple rules:
- **Do not** allow any child to play on furniture
- **Do not** allow climbing on any piece of furniture.
- **Do not** allow hanging from any piece of furniture.
- Always monitor your child’s activity when in the nursery.

**NOTES ON CARE AND MAINTENANCE:**
- **Do not** scratch or chip the finish.
- Inspect the product periodically, contact delta children's products for replacement parts or questions.
- **Do not** store the product or any parts in extreme temperatures and conditions such as a hot attic or a damp, cold basement. These extremes can cause a loss of structural integrity.
- To preserve the luster of the high quality finish on your product, it is recommended to place a doily or felt pad under any items you place on the finish.
- Clean with a damp cloth, then a dry cloth to preserve the original luster and beauty of this fine finish.
- **Do not** use abrasive chemicals.
- **Do not** spray cleaners directly onto furniture.
- Lift slightly when moving on carpeting to prevent leg breakage.
- Use of a vaporizer near furniture will cause wood to swell and finish to peel.
