

Dreame Hair Gleam

High-Speed Hair Dryer

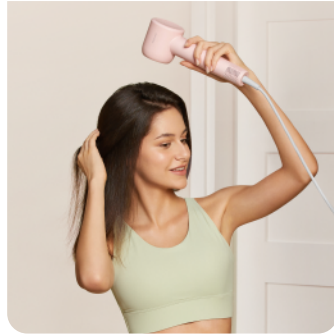

Experience superior hair care with Dreame Hair Gleam High-Speed Hair Dryer. Powered by a 110,000RPM, 1,600W brushless motor, it ensures fast drying at 65m/s without excessive heat. Advanced temperature control at 57°C, along with a built-in negative ion generator, reduces frizz and amplifies volume for a quick, silky-smooth hairstyle.

Key Features

Powerful Airflow

The motor with a speed of *110,000RPM produces an air speed of *65m/s and an air volume of *55m³/h, efficiently drying damp shoulder-length hair from roots to tips in a mere *3 minutes.

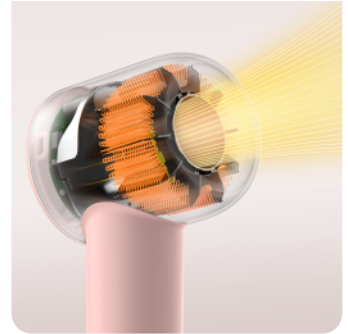

Lightweight and Incredibly Convenient

The hair dryer boasts an ergonomically crafted design for enhanced comfort, emphasizing handy operation at just *330g/0.73lb. Perfect for intricate hair styling, its sleek and portable design ensures a smooth daily styling experience.

200 Million Negative Ions

Utilize the power of *200 million negative ions released while using Hair Gleam for blow-drying. This advanced feature rapidly neutralizes static charges, ensuring effective smoothing for sleek, beautiful hair in just a few minutes.

Innovative Features and Temperature Stability

Hair Gleam incorporates an intelligent stable temperature control system, ensuring soft and lustrous hair. Using a closed-loop control mechanism measuring *100 times per second to maintain a safe temperature of *57°C/134.6°F, protecting your hair and imparting a glossy, smooth finish.

Specifications

Product Name	Dreame Hair Gleam High-Speed Hair Dryer
Voltage and Frequency	220-240V~ 50/60Hz
Airflow Speed	65m/s
Operation Modes	Four temperature levels, two speed modes
Motor	110,000RPM high-speed motor
Nozzle	Smoothing nozzle
Ion	200 million platinum anions/cm³
Noise	≤59 dB
Weight	330g (the power cord and the nozzle are not obtained)

Features

 110,000RPM High-Speed Brushless Motor	 330g Ultra-Lightweight Body	 57°C Intelligent Constant Temperature
 A Negative-ion Emitter that Releases 200 million Ions	 59dB Low Noise	 65m/s Powerful Airflow Speed
