

The EP Edit | Where Design Meets Community

The Art of Design, The Heart of Community

Erica Puccio – creator, collaborator, and proud New Yorker. With two decades in design and business development, my mission is simple: elevate today's voices and help shape the future of our industry.

A Bold New Chapter: Wallcoverings x Spartan Hospitality

Thrilled to announce my debut **Wallcovering Collection**, exclusively distributed by Spartan Hospitality, inspired by art and architecture, these designs transform interiors.

Giving Back

 With every wallcovering purchase, a portion goes directly to Humble Design, supporting families transitioning out of homelessness.

Design Without Borders: Global Inspiration

From Valencia to Milan, Paris to Bologna, 2025 has been a year overflowing with inspiration. Most recently, Cersaie in Italy reaffirmed that branding and storytelling remain essential – when we weave the culture of a community into design, we create spaces that feel deeply connected. Modern yet warm reinterpretations of classic colors, patterns, and textures continue to inspire a new wave of collections.

(Coming 2026 - Stay Tuned)
