

2A Armament AR15 22LR Compatibility Information

2A Armament has designed and manufactured our AR15 22LR products to fit standard AR15 receivers. We have two options for our customers, the AR 22LR Conversion Bolt Carrier and a dedicated AR 22LR Bolt Carrier and Barrel Kit. Please see below for further details. Both of these solutions require a 2A Armament or compatible magazine.

Thank you for choosing 2A, if you have any additional questions please email us at support@2a-arms.com.

AR 22LR Conversion Bolt Carrier (2A-22CONBCG-1):

This carrier is designed to fit into standard/mil-spec AR15 5.56mm/.223 Rem chambered rifles as a direct drop in replacement. To run this carrier a 2A Armament, or compatible magazine is required (see 2A magazine compatibility)

AR 22LR Bolt Carrier + Barrel Kit (2A-22BCGGBAR-1):

The 22LR Bolt Carrier and barrel kit is designed for dedicated .22LR AR systems. Note: this carrier and barrel must be used together with a 2A Armament or compatible magazine (see below). Supports builds with a standard/mil-spec AR15 upper receiver.
