

The Prettiest Rose-Scented Beauty Products Out There

Flowers die, but with these fragranced gifts, everything will be coming up roses.

This incredible body butter's claim to fame is that it “envelops you in the smell of 1,000 rose petals.” Sold, Shiva Rose, sold! It also works to open and heal the heart and crown chakras, and it has anti-aging benefits—so, that's pretty much all you need in this life. Double sold! It also has the most deliciously whipped shea butter texture and it's heaven. [Shiva Rose Celestial Rose Body Butter](#), \$60
