

Absolutely Nothin'

(Psalm 147:5)

There's nothin' that God cannot do.
There's nothin' that God cannot do.
I tell you there's nothin',
Absolutely nothin'
Nothin' that God cannot do.

There's nothin' that God doesn't know.
There's nothin' that God doesn't know.
I tell you there's nothin',
Absolutely nothin'
Nothin' that God doesn't know.

There's nothin' that God hasn't planned.
There's nothin' that God hasn't planned.
I tell you there's nothin',
Absolutely nothin'
Nothin' that God hasn't planned.

There's nothin' that God doesn't see.
There's nothin' that God doesn't see.
I tell you there's nothin',
Absolutely nothin',
Nothin' that God doesn't see.
And nothin' that God hasn't planned.
And nothin' that God doesn't know.
And nothin' that God cannot do.
