

It's All There
(Genesis 1:1-50:26)

(1st verse)

D	Em	A7	D	Em	A7
The origin of plants and trees			Of animals and birds and bees		
D	Em	A7	D	Em	A7
And how all things re-ceived their life;			And who ordained hus-band and wife.		
D	Em	A7	D	Em	A7
The origin of moon and stars			And why we are the way we are;		
D	Em	A7	D	A7	D D A7 D7
The origin of deadly sin			In Genesis it all be-gins.		

(chorus)

G	A	D	A	Bm
It's all there.		If you'll just take a look.		
G	A	D	Em	A7 D Em A7
Yes, it's all there.		In God's holy book.		In His holy book.

(2nd verse)

D	Em	A7	D	Em	A7
A glimpse of God's re-demptive plan			To counteract the Fall of Man		
D	Em	A7	D	Em	A7
And how the earth was covered up			With water from God's judgment cup		
D	Em	A7	D	Em	A7
And why each tribe speaks differently			And how the nations came to be.		
D	Em	A7	D	A7	D D A7 D7
There's records of the origins			In Genesis it all be-gins.		

(to chorus)

(3rd verse)

D	Em	A7	D	Em	A7
The promises to Abraham			That still affect the Holy Land.		
D	Em	A7	D	Em	A7
How Abraham in God relied.			And through his faith was justified		
D	Em	A7	D	Em	A7
How history is in God's hands			As He works out His perfect plan		
D	Em	A7	D	A7	D D A7 D7
There's so much more if you dig in.			In Genesis it all be-gins.		

(to chorus)
