

Joshua (Fit the Battle of Jericho)

(Joshua 6:1-21, 2:1-6)

Rahab hid the spies at Jericho, Jericho, Jericho.
Rahab hid the spies at Jericho
Before the walls came a tumblin' down.

Then, Joshua led the battle of Jericho, Jericho, Jericho.
Joshua led the battle of Jericho
Where the walls came a tumblin' down.

*Well, the way they waged war was strange indeed
Compared to the plans of man.
But they placed all their trust in His holy word,
For the battle was in God's hands.*

They marched for seven days around Jericho, Jericho, Jericho.
They marched for seven days around Jericho
Before the walls came a tumblin' down.

On cue they gave a shout against Jericho, Jericho, Jericho.
On cue they gave a shout against Jericho
And the walls came a tumblin' down.

(chorus)

It's God who gets the glory at Jericho, Jericho, Jericho.
It's God who gets the glory at Jericho
Where the walls came a tumblin' down.
