

Too Many Frogs

(Exodus 8:1-14)

*Well, there were frogs, frogs everywhere
Hoppin' on the bed and hoppin' up the stairs.
Frogs, frogs everywhere,
Egypt was plagued with frogs.*

“Ribbit” in your ear while you try to sleep.
So many frogs you can't count sheep.
Frogs in the food that you want to keep.
Too many frogs.

*Yes, there were frogs, frogs everywhere,
Hoppin' on the bed and hoppin' up the stairs.
Frogs, frogs everywhere,
Egypt was plagued with frogs.*

Frogs in the bed where you want to lie.
So many frogs you want to cry.
Can't keep them out although you try.
Too many frogs.

(chorus)

Take away the frogs ol' Pharaoh begged.
We can't eat no more frog legs.
God wasn't done, though, with the plagues.
Too many frogs.

*Then there were dead frogs everywhere,
Lying on the bed and lying on the stairs.
Dead frogs everywhere,
Egypt was plagued with frogs.*
