

What is an Independent Baptist Church?

We are a local church of Bible believing Christians, not under the control of or associated with any other union or council of churches. In fact, at one time all Baptist churches in NZ were independent assemblies – we remain so!

We believe in the historic fundamentals of the Christians faith because we believe the Bible to be our final authority – God’s perfect words to be taken literally and at face value, but always in their proper context. This means we believe that Jesus is God manifest in the flesh – the Son of God who died for the sins of all mankind, who offers the free gift of eternal life to anyone who will trust in him alone.

Today there are some 45 independent Baptist churches up and down NZ, many of whom we cooperate with in camps, conferences, evangelism and missions.
