

Ventum NS1 Road Bike: Risk Free Reservation Program

Customers who make reservations will receive their bikes first, when shipping begins in March 2019. The reservation deposit is \$2,000. This amount is credited towards the final purchase price.

As a special bonus, customers with reservations will also have an opportunity to choose custom paint colors for their Ventum NS1.

Shipments of the Ventum NS1 bicycles will begin in March, 2019. Orders will be fulfilled in the order that they are received, subject to availability.

Risk Free Reservations: You may cancel your reservation at any time, until you place your order. In case of cancellation, you will receive a full refund of your reservation payment.

How can I configure my Ventum NS1 road bike?

Before your bicycle goes into production, a Ventum concierge specialist will reach out to discuss size, build, and paint options. After you configure your bicycle, you will be able to review the purchase price of the bicycle, plus estimates of any applicable taxes, duties, transport and delivery charges, and any other applicable fees. If you proceed with the order, we will apply your reservation payment towards the total price.
