3 skeins Juniper Moon "Fourteen" plus one skein Berroco "Suede"	#13 straight or circular	No gauge needed!

Using "Fourteen" yarn, cast on 30 stitches on #13 needles. Knit all stitches of all rows until you've worked through almost all of 3 skeins. Bind off loosely.

Cut 144 strands of Suede yarn, each 20" long. Take 6 strands and, using crochet hook, attach fringe. Repeat 12 times across each end of your scarf.
