Three Irish Girls Spring Rainbow Mini-Set in Springvale Worsted	#7 straight or circular	There are 9 colors in each mini-set, about 60 yards each. I had leftover.
<p>Cast on 45 stitches.</p> <p>With Color 1, begin slipstitch pattern, slipping all stitches purlwise: Row 1: With yarn in back slip 2, *purl 2, put yarn in back, slip 1* repeat from * to * to last stitch, purl 1. Row 2: Slip 1, *purl 1, knit 2* to last 2 stitches, purl 1, knit 1.</p> <p>Solid Section: Continuing with Color 1, repeat rows 1 and 2 twice more, for a total of 6 rows in slipstitch pattern in Color 1.</p> <p>Two-Color Section: Next, pick up Color 2 and work rows 1 and 2 of slipstitch pattern. Then pick up Color 1 and work rows 1 and 2 of slipstitch pattern. Continue in this manner, alternating Colors 1 and 2, until you have made 11 "stripes" with each color.</p> <p>With Color 2, work a 6-row Solid Section. This creates the wide stripe of color between each section.</p> <p>Next row, beginning with Color 3, make another Two-Color Section using Colors 3 and 2. Follow with a 6-row section of Color 3. Continue in this manner until you have used all 9 colors, and bind off loosely in pattern.</p> <p>I used the colors in this order: green, lime, hot pink, orange, turquoise, purple, yellow, beige, blue, and back to green.</p>
