## PUBLICATIONS TO ORDER

We distribute a number of publications. If you already have all or some of these fine publications, think of those who are in need of them to help them in their spiritual growth. By introducing one of these publications to a friend or family member, they will vastly benefit from it.

- **2024 Calendar** (1 Jan 2024 – 31 January 2025), by Qodesh Books  
We have prepared a Messianic Calendar for many years. This calendar will help you in many ways to observe a Messianic Israel life-style. It shows the dates on which the New Moon should be sighted, as well as the dates on which the Scriptural Festivals will be. The Rabbinic Jewish festival dates are also marked on the calendar, so that you can compare it to the Scriptural dates. Other useful information includes the following: Candle lighting times according to Rabbinic Jewish customs; Torah readings for each Shabbat (Sabbath); All other Jewish holidays; the South African school terms and even the pagan & secular holidays, so that you can plan your year properly. The calendar is available free from our web site in PDF format.
- **The Scriptures**, by Institute for Scripture Research. **2009 Edition (Items B1.1 to B1.15)**  
A literal translation of the "Bible". In this translation the Name of the Father יהוה (YHWH) and the Name of the Son יהושע (YAHUSHUA) have been restored in Hebrew font. The order and names of the books, as well as all personal names have been restored to the original pronunciation as far as possible. This translation is enjoyed by thousands of believers worldwide and has been described by many as the best English translation available. For more details see <https://www.isr-messianic.org>. Available in Soft Cover, Hard Cover, and now also in 'duotone' (light/dark purple, light/dark brown, duotone black and a very limited edition of white/silver) in a protective box with a transparent window. The hard cover is now in a slipcase. For pictures and fuller descriptions, please visit our web site at <https://www.qodesh.co.za/collections/bibles-and-reference-material-6>
- **Come out of her, My people**, by C.J. Koster (Item A8)  
A study book on the origins of the Christian faith, her symbolism and practices, such as Christmas, Easter, the Cross, etc. This is probably the best reference work on the origins of the Christian faith.
- **Gaan uit haar uit My volk**, deur C.J. Koster (Item A9)  
'n Vertaling van "Come out of her, My people". 'n Studieboek oor die oorsprong van die Christen geloof en al haar simboliek en gebruike, soos Kersfees, Paasfees, die Kruis, ens. Hierdie is waarskynlik die beste beskikbare studie-bron oor die oorsprong van die Christen geloof.
- **Back to YHWH**, by C.J. Koster, W.J. Wolfaardt & Guest Authors (Item A10) **Just Published**  
**Unlearning error and learning the Truth.**  
Living a set-apart life that leads to Eternal Life is more than our initial repentance from sin - justification by faith and immersion as is taught in broad Christian circles.  
Eternal Life is about becoming set apart and perfect as our Messiah, Yahushua, is perfect. In becoming perfect we should therefore find and walk the narrow path and forsake our wicked ways. Forsaking these wicked ways includes physical lifestyle sacrifices but also unlearning the lies we've grown accustomed to.  
IT IS ABOUT LEARNING TRUTH AND DOING IT.  
This book will assist you on your journey to overcome many of the obstacles - unlearning error and learning the truth.
- **Torah for Children – Books 1 & 2**, by Qodesh Publishers (Items F9 & F10)  
The Torah for Children series is an aid for parents to teach their children the Torah of YHWH. The books are designed for children of all ages. Portions from Scripture are simplified to make it easier for children to understand. There are many colouring pictures and fun-filled activities throughout the books.
- **Tzitzit**, (Item D3.1)  
Tied and each package contains 12 white fringes and 4 blue fringes.
- **Woord en Getuienis**, deur John Wahl (Item B6)  
Hierdie bundel is 'n poging om 'n Afrikaanse Vertaling van die Skrif daar te stel wat so ver moontlik voldoen aan die vereiste wat in Devariem 4:2; 12:32; Miesshle 30:6 en Openbaring 22:18-19 neergelê word.  
**LW** Hierdie is nie 'n Afrikaanse vertaling van *The Scriptures* van die Institute for Scripture Research nie.

It is not our aim to make profit from these publications, but merely to bring truth to our readers. All funds always go back towards the work we are doing to promote the Kingdom of YHWH.
