- **Christianity Reconsidered**, by Warren Bowles
A5 Size. Soft Cover, 177 pages. Is the Church today what Messiah intended it to become, or have other influences caused it to drift drastically off course? Can we really know what the original ancient course was? Christianity Reconsidered is the product of a former Christian pastor's examination into some of the centuries-old teachings of the Church. His findings led him to a decision that changed his life. In this book you will be challenged with evidence showing that: the Church was born long before the Messiah was; it is important which day of the week you honour; the Jesus preached by the Church is not the Messiah of the Bible; the holidays of the Church have nothing to do with the birth, life, or death of the Messiah; the first believers--including the apostle Paul--did not abandon their Scriptural foundation. If you are willing to take the challenge, you may discover that what you know may not be so. For more information. (www.lionlamb.net).
- **Messianic Mo'adyim Devotional**, by Kevin Geoffrey
What if the feasts of YHWH are more than just Jewish holidays? ... more than prophetic pictures of Yahushua? What if Elohim designated these times as a reminder to His people, calling for an uncompromised devotion only to Him? What if the purpose of the *Mo'adyim* ... is to change lives?

- **The Hebrew Yeshua vs the Greek Jesus**, by Nehemia Gordon
I must have book for every scholar of Scripture. Former Pharisee, Nehemia Gordon, a Dead Sea Scrolls scholar and Semitic language expert, explores the ancient Hebrew text of the Gospel of Matthew from manuscripts long hidden away in the archives of Jewish scribes. Gordon's research reveals that the more "modern" Greek text of Matthew, from which the Western world's versions were translated, depicts "another Jesus" from the Yeshua portrayed in the ancient Hebrew version of Matthew. Gordon explains the life-and-death conflict Yeshua had with the Pharisees as they schemed to grab the reins of Judaism in the first century, and brings that conflict into perspective for both Jew and Christian alike. (ALSO AVAILABLE IN VIDEO DVD)
