

PAX A77 RUGGED CASE

PROTECT YOUR DEVICE AND MAXIMISE ITS POTENTIAL WITH THE MOBILE PROTECT & GO FROM ENS

The Pax A77 mobile payment device with 5.5" touchscreen, scanner and camera powered by Android brings numerous operational opportunities for use, from simple payment to full POS and Payment.

The working environment in which this device will be used will require that the A77 is protected from damage. Compatible with the Pax OEM drop-in charger, the A77 ruggedised case from ENS has been designed to enable maximum protection and operational availability.

- ✓ Designed to protect the device and touchscreen from drop damage with wrap around impact absorption strips
- ✓ Easy to grip design, lanyard & belt clip options allow the user to safely & comfortably transport the device around the working environment
- ✓ Easy access to the camera, scanner and charging port to maximise seamless operation
