

Heckler

Quickly deploy iPad on any wall.

OnWall Mount for iPad
For iPad 10th Generation
H756

Heckler

Install the capabilities of iPad 10th Generation to any wall without the need for a gangbox installation or extensive wall damage.

Features

Commercial grade steel construction.

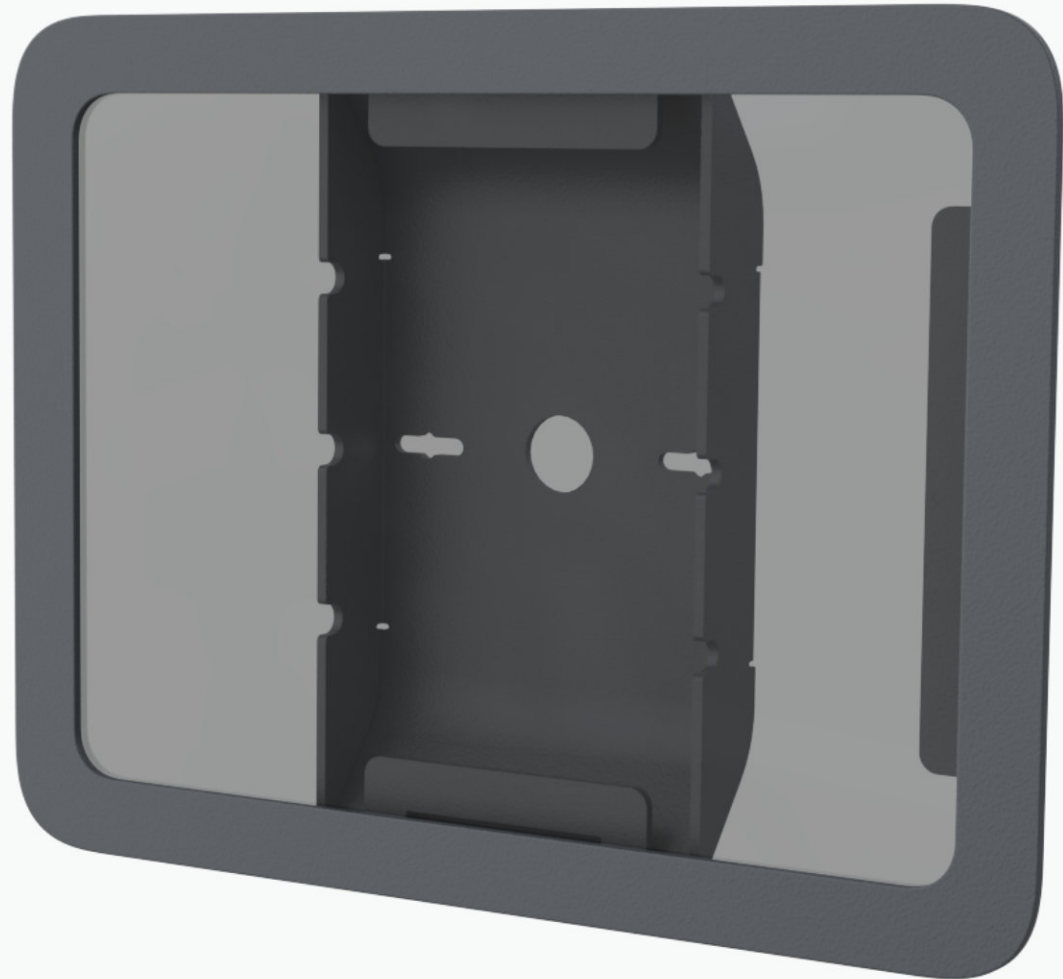

Scratch-resistant and fingerprint-resistant powdercoat finish.

Hidden adapter pocket fits a wide selection of popular PoE & Ethernet adapters.

Requires no gangbox installation or in-wall power adapter storage. A complete forward-of-the-wall iPad mounting solution.

Minimal drywall damage. Only two drywall anchor holes and one CAT cable hole required.

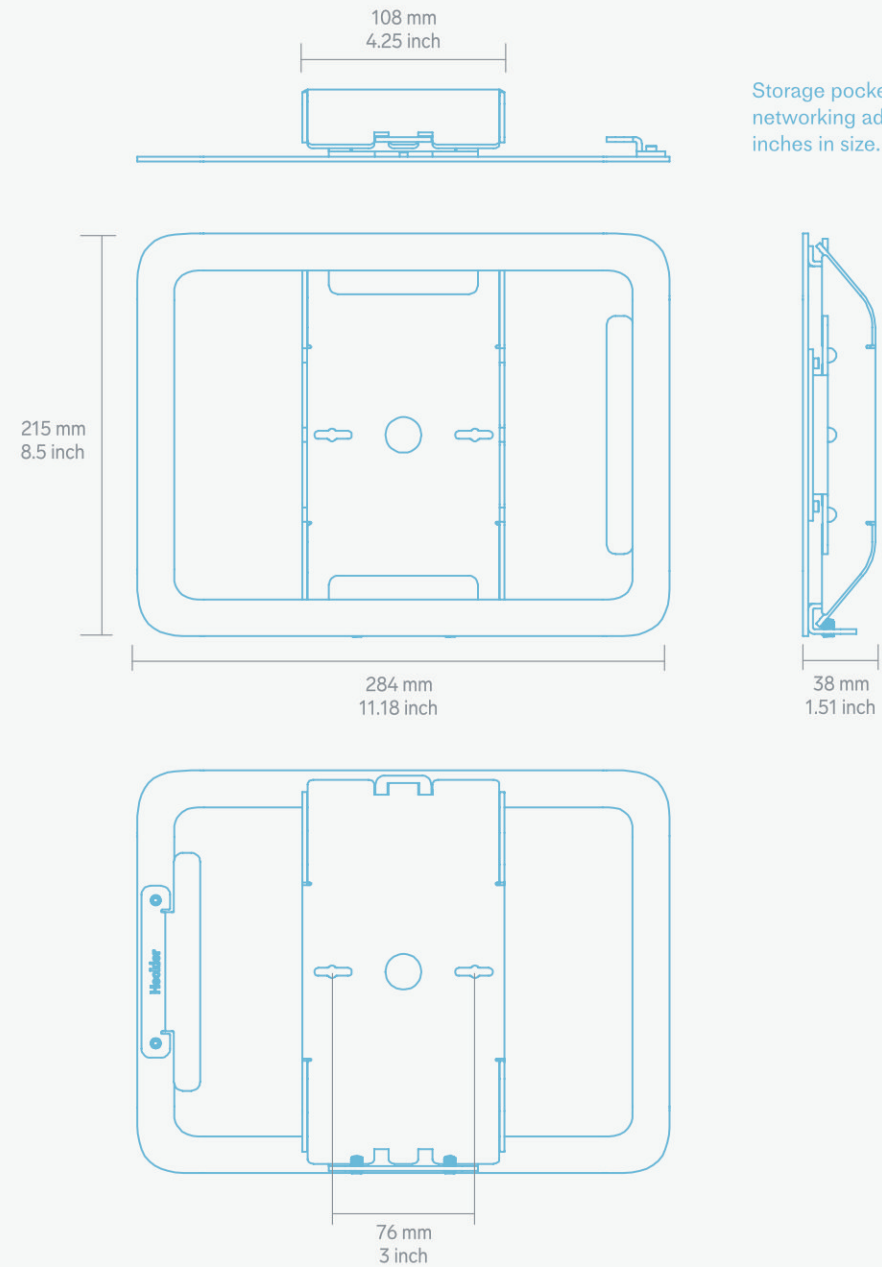

Fully enclosed, with no front-facing assembly hardware.
