Ultimate Barcode Scanner and Passport Reader

The DuraScan D760 is the latest and improved version of the ultimate Bluetooth® barcode scanner. Built for mobility and redesigned for improved durability, the D760 is IP54 compliant, ideal for travel and POS application customers where durability and indoor/outdoor flexibility is required. Travel merchants only need one device to scan purchased items and passports. In addition, Socket Mobile has added a field-replaceable battery based on customer feedback. The scanner is MFi certified and fully compatible with Android and Windows with different Capture SDK versions available.
The D760reads OCR fonts, passports, travel IDs, DotCode and 2D/1D barcodes on paper and screen. It features great ergonomics, fits perfectly in your hand and is small enough to fit in your pocket. The D760 is fully back-wards compatible with prior versions of Socket Mobile's SDK and can be used immediately with any application using native scanning support. To enjoy optimal reliability and performance from the D760 , it is recommended that users check with their app provider to ensure they have upgraded to the latest version of Capture SDK.
