

FLEXIGRIP MINI

UNIVERSAL PAYMENT MOUNTING SOLUTION

The FlexiGrip Mini from ENS Group is a universal payment mounting solution compatible with a wide range of payment terminals. Available in Compact, Complete and Contour variations, the FlexiGrip Mini is the ideal solution for retailers who may wish to change their payment technology frequently and maintain their independence in terms of their choice of payment terminal.

Adjustable arms hold the payment terminal securely in place with high friction foam grippers. Easy one-handed release makes this an ideal solution for small mPOS devices.

- ✓ Ideal for mobile point of sale applications - easily remove device from stand with one hand
- ✓ Adjustable to accommodate a wide range of payment terminal types
- ✓ Seamless, sleek design and minimal footprint help to create an organised and modern-looking checkout environment
- ✓ Protects your investment by protecting your PINPad and cables from damage, theft and criminal interference
- ✓ Optional UV Clean (UV-PT+) attachment for 24/7 safe and automated disinfection of payment device
