

FLEXIPOLE MOUNTING SOLUTIONS

FOR INGENICO LANE/3000 PIN PAD

Tailwind FlexiPole™ from ENS is a versatile pole mount system with bespoke back plate for the Ingenico Lane/3000 PIN Pads. Security is designed into FlexiPole through a unique latching system which securely holds the device in place, together with additional security options. Simply select the FlexiPole mounting option for your Ingenico Lane/3000.

- ✓ Protects your investment by protecting your PIN Pad and cables from damage, theft and criminal interference
- ✓ Future proof - if you change your PIN Pad, you only need a new back plate
- ✓ Quick Release, Locking or Tethered options
- ✓ Helps you to comply with accessibility/disability regulations and PCI DSS/P2PE security requirements
