

Galanter & Jones

Heated Furniture

KOSMOS LOUNGE

The heated Kosmos Lounge is designed to keep two warm and relaxed indoors and out, day or night. Simply plug it in, adjust the temperature and enjoy. Only from Galanter & Jones.

“The simplest and most welcome innovation in garden furniture we’ve seen in, oh, forever.”

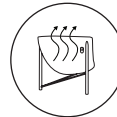

—Flora Grubb,
Owner, Flora Grubb Gardens

MATERIAL & POWER INFORMATION

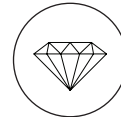

Cast stone surface with powder coated stainless steel frame. Plug-in ready with an approximately 8-foot long cord that exits the rear leg. Adjustable temperature control for energy-efficient heating. Standard 120 volt power, 1250 watts, 10.4 amps.

*The average US owner experiences a net cost of \$40.5 per 6 hours of use on their energy bill
