

On a scale of 1-10, how close are you to your ideal classroom?

Cards For Coaching

What are you seeing to show that this strategy is successful?

Cards For Coaching

During debrief conversations, a teacher is enthusiastic and open to suggestions, yet she does not follow through on things she agrees to do.

You ask _____?

You are told that the 4th grade planning session has been canceled for the week. Later that day, you pass the conference room and they are clearly planning together.

You ask _____?

What would timely and focused feedback look/sound like with this teacher?

Talk with your table as a group.

What would be another possible question to open reflective dialogue?

Talk with your table as a group.
