

Z-Force® L 48 Zero-Turn Rider. PRECISE PERFORMANCE MEETS COMPLETE COMFORT.

The Z-Force L and Z-Force LZ have an innovative design that marries the toughness of a heavy-duty 12-gauge frame and fabricated mowing deck with powerful performance that achieves impeccable results. You'll experience easier operation and ultimate control thanks to oversized lap bars and a new effortless spring-assist deck lift that easily adjusts to any terrain. Along with full-length comfort grips, you'll be mowing in total comfort and confidence.

UNSURPASSED RESULTS OF THE CUB CADET SIGNATURE CUT™

A new, heavy-duty full-floating fabricated mowing deck with reinforced edges delivers unmatched durability along with consistent blade speed for a precise cut, low maintenance and even dispersal of clippings for professional-quality results.

HIGH-PERFORMANCE ZERO -TURNING CAPABILITIES

An advanced dual hydrostatic rear-wheel transmission allows for quick response and zero-turn control. With ultra-smooth handling and the ability to turn on a dime, and up to 8 mph forward speed, you'll be able to get the job done more efficiently in no time leaving behind nothing but a professional-quality cut.

EASY OPERATION MADE TO FIT YOU

Easily adjust to any terrain with the new effortless spring-assist deck lift. Oversized lap bars feature an integrated parking brake for easier operation, full-length comfort grips and quick-adjust knob for toolless adjustments.
