GAME INSTRUCTIONS:

GOAL: The player with the most coins wins!

GET READY: Print the 3 game sheets (1x Game Board, 1x Game Pieces and 1x Score Board. Ask your parents or guardian to help you cut out all the game pieces with a pair of scissors. Shuffle and place all cards face down spread out on the playing surface. Place the coins in a pile. The younger player goes first.

LET'S PLAY: 1. Player 1 turns over the first card . 2. If #1 Character is turned over, the card is added to the game board in the matching position. Player 1 then takes a coin and turns over the next card from the pile. 3. If the card is not #1 Character, the card is placed back face down and play passes to Player 2. 4. Players alternate turns until all cards have been placed in sequential order on the game board.

5. *If a special card is drawn, follow the rules at the bottom of the game board!*

Keep track of the game winners on the score boards below.
