

RECYCLABLE & COMPOSTABLE CARDBOARD PLATTER SOLUTIONS WITH DOUBLE WALL INSERT TRAYS

A new sustainable range of kraft platters for an eco-friendly and recyclable alternative. The unique double wall and grease resistant coating on the cardboard trays offer protection to transport your food without worrying about damaging or losing food integrity or taste. They are suitable for a variety of buffet foods, from sandwiches and cold salads to pastries.

We recommend to test this product with specific recipes.
