

PIG® Dark Oil-Only Absorbent Boom

BOM414 8" x 10', Absorbs up to 12 gal. per boom, 4 booms

Blends in with surroundings as it confines and absorbs oil and fuel spills on water.

- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Booms float at surface for easy retrieval, even when saturated
- Dark color makes booms less noticeable when deployed on water
- Spunbond polypropylene skin is UV resistant up to 4 months
- Tough outer mesh lets fluids easily pass through to filler material
- Rope running along length of boom withstands up to 400-lb. loads, adding strength for deployment and retrieval
- Strong, zinc-plated carbon steel attachment clips and rings allow you to link booms together for greater length
- Can be incinerated after use to reduce waste or for fuels blending

Specifications

Fluid Absorbed	Oils, Fuels, Other Oil-Based Liquids Only
Color	Black/White
Dimensions	ext. dia. 8" x 10' L
Recycled Content	98% Pre-Consumer Recycled Polypropylene Filler
Absorbency	Up to 48 gal. per bag
Absorbency per	Up to 12 gal. per boom
Clip/Ring	Zinc Plated Carbon Steel
Filler	Polypropylene
Skin/Outer Mesh	Skin - Polypropylene, Outer Mesh - Polyester
Sold as	4 booms per bag
Weight	46 lbs.
# per Pallet	8
Application	Spill Response
UNSPSC	47131907

Metric Equivalent

Absorbency per	Up to 45.4 L per boom
Absorbency	Up to 181.7 L per bag
Dimensions	ext. dia. 20.3cm x 3m L
Weight	20.9 kg
