

Removal Tool

GRP020 For Grippy Mat

Make PIG Grippy Mat removal even easier with this claw-like tool for easy pulling.

- Removal Tool "locks" its jaws onto mat material, providing a firm handgrip for pulling up adhesive-backed mat
- Rounded handle adds comfort; won't dig into your hands as you pull
- High-quality aluminum construction is durable and reliable

Note: Most Grippy Mats pull up easily by hand. This Removal Tool is helpful for removing long runs, wide sizes or mats that have been in place for extended periods of time.

Specifications
