

## Installation Roller

GRP021 For Grippy Mat

Installing long runs of Grippy Mat? Stay off your knees and make the job faster and easier with this walk-behind roller.

- Eliminates the need to get down on your knees during Grippy Mat installation
- Installation Roller unrolls the mat as you push it along and smooths it into place without creating air pockets or bubbles
- Ergonomic design has a comfortable grip and angled handle for upright operation; eliminates back strain and knee pain
- Built to last with a durable steel frame, aluminum handle and nitrile rubber roller
- Kickstand lets you stand roller upright without falling over or rolling away
- Hook on handle lets you hang roller on chainlink fencing or other hanging systems for long-handled tools
- Ideal for use with any 36"W or 48"W Grippy Mat (excludes Grippy Carpeted Mat)
