

PIG® Grippy® Antimicrobial-Infused Adhesive-Backed Floor Mat

GRPAM36201 36" x 50', 1 roll

Prevent slips, trips and falls in kitchens, food prep areas and anywhere that mold and fungus growth is a concern with our adhesive-backed, antimicrobial-infused absorbent runner.

- Now there's a whole new way to keep your floors safe — PIG Grippy Antimicrobial-Infused Floor Mat is highly absorbent, very low profile, extremely durable and effortless to maintain
- Permanently infused with antimicrobial technology to prevent the growth of odor-causing bacteria and mold on the mats
- Proprietary adhesive formulation applied across entire backing of mats ensures they stay in place with no shifting, curling or flipping up; traps dirt and moisture to keep it from being tracked around
- Mat sticks to the floor with a super-tight grip, but peels up easily
- Extreme durability stands up to heavy traffic to keep it on the job for up to 12 weeks
- Easy to use: roll out continuous coverage in prep areas and walkways with no gaps, ripples or overlaps that cause slips and trips
- Easy to clean: you can sweep, vacuum, mop, use your shop/wet vac or run your floor scrubber over Grippy Mat and it won't budge
- Easy to customize: lets you create custom-size floor mats to match your layout
- Highly efficient absorbent top soaks in moisture, wicks and spreads it evenly so the mat dries out quickly
- Black and Gray colors available to let you choose the best color to hide dirt and grime in your surroundings
- Absorbs a wide variety of liquids including water, oil and grease; leakproof backing prevents liquid from soaking through to the floor
- The thinnest commercial floor mat you can buy: no rippled edges to obstruct doors or create tripping hazards. ADA compliant for wheelchairs and walkers; carts and pallet jacks roll right over it
- Only a fraction of the weight of rubber-backed mats: no more back strain when you change your mats
- Completely eliminates rental mat hassles and

can save up to 50% per year over rental contracts

- Tested and Certified by the National Floor Safety Institute (NFSI): when used as part of your floor safety program, high-traction surfaces such as PIG Grippy Antimicrobial Floor Mat have been proven to reduce slip-and-fall claims by as much as 90%
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort

to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.
