

PIG® Surgical Absorbent Mat Pad with Adhesive Backing

HC102 Heavyweight, (20) 31" x 40" pads, 20 pads

Absorbs saline and blood and stays put to keep O.R. floors dry and safe during high fluid surgeries.

- Mat pad sticks to the floor and won't slide, shift or bunch up during procedures; heavyweight pads are ideal for absorbing large amounts of fluids at scrub sinks or at the foot of O.R. tables
- Large, 31" x 40" mat pad absorbs up to 3 liters of O.R. fluids including blood, vomit, urine, saline and water
- More absorbent, more sanitary, faster and easier to use than towels, paper towels and other O.R. clean-up methods
- Disposable mats keep the surgical environment clean and hygienic; helps reduce cross-contamination
- Waterproof and leakproof
- Mat pads won't rip, tear or fray under light foot traffic or movement of mayo stands and carts
- Mat pads stick to the floor easily and peel up quickly; adhesive won't stick to surgical gloves
- Use anywhere fluids collect in healthcare facilities, surgical centers or veterinary clinics - operating rooms, scrub sinks, lab stations and more
- PIG Surgical Absorbent Mat with Adhesive Backing should be applied to your floor before each procedure and left in place for the duration of the surgery
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Specifications

Antimicrobial	No
Traffic	Light Foot Traffic; One Time Use
Backing Material	Adhesive-Backed
Indoor/Outdoor	Indoor Use
Pad Quantity	(20) 31" x 40" pads
Incinerable	Yes

Flammability Specifications	Flame Resistant - Will melt and self-extinguish
Fluid Absorbed	Water; Bodily Fluids
Special Feature	Extra Absorbency; Latex-Free
Color	Gray
Dimensions	31" W x 40" L
Mat Weight	Heavyweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 60 L per case
Absorbency per	Up to 3 L per pad
Brand	PIG
Category	Surgical Mat
Industry	Surgical
Perforated	No
Walking Surface	Absorbent Top
Sold as	20 pads (4 bags of 5 each)
Weight	18.5 lbs.
New Pig Patent	Patent Pending
# per Pallet	24
Composition	Absorbent - Polypropylene Adhesive Backing - Proprietary Grippy® Material
UNSPSC	47131901
UV Resistant	No

Metric Equivalent

Absorbency per	Up to 3 L per pad
Absorbency	Up to 60 L per case
Dimensions	78.7cm W x 101.6cm L
Weight	8.4 kg

Disclaimers

[Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats](#)

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.

New Pig

World's best stuff for leaks, drips and spills.
