

## PIG® Fuel Station Spill Kit in Duffel Bag

KIT4003 Absorbs up to 3.6 gal., Absorbs Oils, Fuels, Other Oil-Based Liquids Only

The PIG Fuel Station Spill Kit in Duffel Bag is a handy option for safe, portable spill response at fuel islands to clean up spills.

- The only kits designed for fueling stations — tough, grime-hiding containers packed with absorbents specifically made for gasoline, diesel, jet fuel and kerosene
- Packed with absorbent, static-dissipative mats and socks that pass NFPA99 standards for static decay and surface resistivity
- Also contains PIG Loose Absorbent, PPE and caution tape
- Absorbs and retains fuels and oil-based fluids without taking in a drop of water
- Black Cordura nylon bag is 9"W x 26"L with reflective labeling for easy visibility at night, blends into most surroundings and hides grime from fueling operations
- Durable fabric and rugged construction won't rip or tear; tough enough to refill and reuse
- End and side straps make it easy to pull the bag from its storage space and take supplies to the spill
- Spill Kit in Duffel Bag should be stored inside a building, cabinet or a wall-mount container like KIT4004 (sold separately)
- Ideal for use anywhere there are fueling operations: marinas, garages, commercial facilities, military sites, airports, tanker terminals, construction sites, industrial facilities and remote operations
- Only PIG Spill Kits feature PIG Absorbents — the world's #1 selling brand
- For information on custom spill kits, call 1-800-HOT-HOGS (468-4647)
- Spill Kit dimensions are approximate
