

PIG® Fuel Station Spill Kit in Wall-Mount Cabinet

KIT4004 Absorbs up to 3.6 gal., Absorbs Oils, Fuels, Other Oil-Based Liquids Only

Hang this Spill Kit in Wall-Mount Cabinet near your fueling island for quick, safe response to clean up fuel spills.

- The only kits designed for fueling stations — tough, grime-hiding containers packed with absorbents specifically made for gasoline, diesel, jet fuel and kerosene
- Packed with absorbent, static-dissipative mats and socks that pass NFPA99 standards for static decay and surface resistivity
- Also contains PIG Loose Absorbent, PPE and caution tape
- Absorbs and retains fuels and oil-based fluids without taking in a drop of water
- UV- and weather-resistant Wall-Mount Cabinet houses a portable Fuel Station Spill Kit in Duffel Bag; both are black with reflective labeling for easy visibility at night, blend into most surroundings and hide grime from fueling operations
- Bag is durable, black Cordura nylon that won't rip or tear; tough enough to refill and reuse
- End and side straps make it easy to pull the bag from its storage space and take supplies to the spill
- Heavy-duty, gasketed, UV-resistant polyethylene cabinet protects spill kit from harsh weather
- Cabinet can be mounted to a flat surface like a wall, pole or beam at fuel stations (mounting hardware not included)
- Easy-access detachable lid helps speed removal of spill kit; padlockable for security
- Ideal for use anywhere there are fueling operations: marinas, garages, commercial facilities, military sites, airports, tanker terminals, construction sites, industrial facilities and remote operations
- Only PIG Spill Kits feature PIG Absorbents — the world's #1 selling brand
- For information on custom spill kits, call 1-800-HOT-HOGS (468-4647)
- Spill Kit dimensions are approximate

Specifications

Wheels Included	No
