

## PIG® Drive-Over DrainBlocker® Drain Cover

PLR301 Ideal For Heavy Outdoor Vehicle Traffic, For Square Drains Up to 18"

The toughest storm drain cover you can buy is the only one that can handle drive-overs - even from heavy tankers. Go ahead and drive over it!

- Patented design is the only cover tough enough to handle drive-overs - even from heavy tankers. Only from New Pig
- Ideal for long-term drain protection where liquid transfers, washdowns or other leak- and spill-prone jobs are common
- Eliminates the need to frequently deploy and remove a temporary cover or permanently seal your drains
- Tough, patented-rubber HogHyde Skin stands up to punctures, tearing and abrasion, even under heavy vehicle traffic from tankers, trucks or forklifts
- Super-sealing urethane bottom layer conforms to uneven surfaces and tightly seals drain openings to block liquid
- Also withstands UV rays, infrared light and all weather conditions; keep outdoors as long as needed without worrying about degradation
- Polyurethane and rubber materials resist water, oils and many chemicals
- Leave down as preventive measure or store for emergency response
- Includes a nylon storage bag for easy transportation and fast spill response
- Need a custom size? Call 1-800-HOT-HOGS (468-4647)

### Specifications

### Disclaimers

#### Urethane Notice

Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity, and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For more details and for chemical compatibility, please call Technical Services.
