

PIG® Roof Leak Diverter

#TLS462 - Roofs • Diverter Only • 5' x 5'

Stop devastating roof leak damage and protect your people, equipment and inventory with the original diverter. Invented here!

- The original Leak Diverter - invented here and engineered to stop devastating roof leak damage every time, guaranteed
- Hangs easily in problem spots to catch nuisance leaks and channel them to a floor drain or collection container
- Ideal for quick response to avoid downtime after a roof leak or for long-term prevention in leak-prone areas
- Nonpermeable tarp is vinyl coated for strength and durability; resists punctures, UV and mildew for long life
- Pinched corners help funnel liquid toward center for better drainage
- Accepts a standard 3/4" hose connection to channel liquid to floor drain or collection container (hose sold separately)
- Flow rate of 3.33 gallons per minute when used with a 1/2" ID hose
- Heavy D-rings resist tearing and make installation easy
- Need a custom size or solution? Just call 1-800-HOT-HOGS (468-4647)
