

# Top-Up Turtle™ Patents Pending & Design Registrations

International Application Number

PCT/NZ2024/050032

New Zealand

Patent Application No 826199

Australia

Patent Application No 2024240491

United States of America

Patent Application # 19/167,429

European

EP Application No 24775288.4

## Design Registration Numbers

### New Zealand

Design Reg No 432887 Automatic Pool Valve Assembly

Design Reg No 434933 A Shell for an Automatic Pool Valve Assembly

### Australia

Design No 202411696 A Shell for an Automatic Pool Valve Assembly

Design No 202411700 A Float for an Automatic Pool Valve Assembly

Design No 202411702 A float arm for an Automatic Pool Valve Assembly

### European Community Design

European Community Design No 015060135-0001

Automatic Pool Valve Assembly

European Community Design No 015060135-0002

A Shell for an Automatic Pool Valve Assembly

European Community Design No 015060135-0003

A Float for an Automatic Pool Valve Assembly

European Community Design No 015060135-0003

A Float Arm for an Automatic Pool Valve Assembly

### United States of America

Design application # 29/920,017 Patent Applied For
