Mini Moisturizer Cream Kit instructions

1 Squeeze approx. 17 ml of the Moisturizing Cream Base into measuring cup by filling the cup to between 15 ml and 20 ml. Gently tap the measuring cup against the table to settle the cream.

2 Add 4-12 drops of fragrance two drops at a time, mixing and smelling every two drops, depending on how strong you prefer the fragrance.

3 Use included syringe to draw up your scented cream.

4 Transfer scented cream to empty 14 ml tube by squeezing contents of syringe into empty moisturizer tube. Repeat to transfer any remaining scented cream until mini tube is full.

5 Now, put your name on it with a permanent marker, and you're ready to give it to a friend or use it yourself!
