

BUILT TO LAST

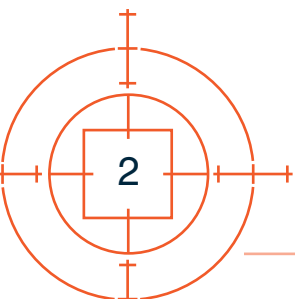

Here at US PeaceKeeper, we take pride in manufacturing nylon products with both exceptional quality and highly-competitive pricing, plus a lifetime warranty. From cases to packs, range bags to shooting mats, US PeaceKeeper products are not manufactured solely for style and price point, but designed for durability. In a market full of nylon gear, US PeaceKeeper strikes THE balance with price and affordability.

- Main compartment has (12) individual pockets for standard Armorer's tools which are protected by the inner flap further securing the tools using hook and loop closures

*Tools not included

Why US PeaceKeeper?

When we design a product, exceptional quality is our top priority. Yet, we do so at affordable prices because we want you to trust US PeaceKeeper's nylon products to protect, organize, and carry your most valuable gear.

FEATURES

Quality material throughout the entire case. Unlike many of our competitors, we use the same high quality material throughout the entire case. Other products in our price range use 600 denier nylon on the outside and a cheap liner on the inside, limiting the protection to your firearm and reducing the useable life of the case.

Highest Quality Standards of padding thickness offer the ultimate protection for your guns and gear

Innovative Design

Wrap-around handles surround the entire case, which support excess weight, preventing handle failure

All dimensions are external dimensions
All products are made in China

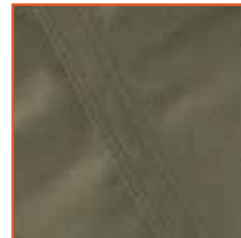

Heavy-Duty Wide Zipper

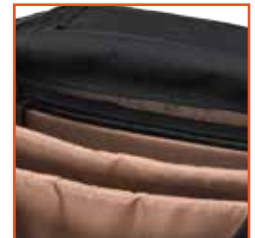

Double Zippers allows cases to be lockable

Reinforced Stitching for added protection

Double Stitching for double seam protection

Light interior to easily locate items

LIFETIME WARRANTY

US PeaceKeeper stands behind our products through our lifetime warranty on any defect in manufacturing or workmanship. If a manufacturing defect is present, US PeaceKeeper will repair or replace the product, at no cost to the customer providing proof of purchase.

Exclusions and Limitations

In general, the warranty provides coverage for defects in workmanship. US PeaceKeeper products are not warrantied when the product is damaged due to normal wear, excessive use, misuse or abuse, product modification, or due to lack of proper maintenance. US PeaceKeeper reserves the right to determine whether replacement is warranted.

Replacement product is eligible for the 48 Contiguous U.S. States. However for the U.S. States excluded in replacement product, a credit memo will be issued.

To be considered under warranty, all of the following conditions must be met:

The product was used according to the accepted environmental guidelines.

The product must not have been subject to misuse, alteration, unauthorized repair.

Original owner

Requesting Warranty Status

To request the warranty status of any US PeaceKeeper product, please contact us and provide the product model number, the name of the re-seller or distributor that you purchased the product and a photo of the defect. You can contact us via phone 909.606.8836, fax 909.606.8838 or email sales@uspeacekeeper.com.

US PeaceKeeper is committed to providing the highest quality products
