Designed and made to order in Melbourne, Cabine is a storage solution for those requiring a beautiful bespoke cabinetry look combined with flexibility.

A nod to sensibilities of sustainable living and Japanese Ryokan design, the understatedly beautiful Cabine storage cabinet is designed to seamlessly adapt to any room of the house.

Removable legs also allow Cabine to be wall-mounted, meaning there are no restrictions on where in the home it can be used.

- Versatile design
- Generous storage cavities
- Gliding doors
