

PLYROOM

## SLOW BED

Live Slow, Sleep with Soul.

The Slow Bed is a nod to the halcyon days of mid-century living. A time when life moved at a gentler pace, and the bare essentials were valued as luxuries of the everyday. A bed that strips back the complicated layers of modern life to take you back to the very basics, and reignite your romance with simple, slow living.

Simple assembly required. We have designed the Slow Bed to ensure it ships efficiently and is intuitive to assemble.

## CARE

---

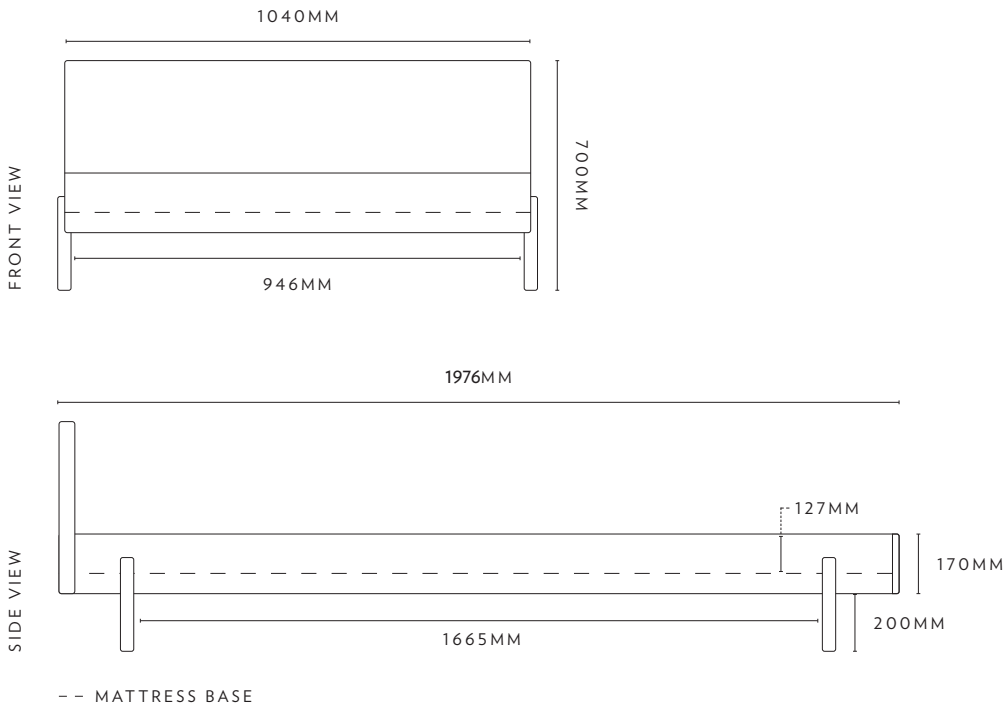

For general care we recommend regular dusting with a clean, dry cloth, or wiping down with soft cloth wrung dry from plain water (leaving the surface dry after cleaning). Common stains can be removed with a damp cloth and should be attended to as soon as possible.

Solvents or direct heat will cause damage to your timber furniture.
