

Free Spirit Ambient Pads | Compatible Key Chart for Creativity

Hello and thank you for your interest in the Free Spirit Ambient Pads! The purpose of these pads is to offer you something to play along with that helps fill the space, but doesn't interfere with the important work that you're doing with your flute. These pads are moving, rich and lay a foundation for your melody on the flute to soar!

One of the most frequently asked questions I receive is...

“Which flute do I play with which Pad(s)?”

While exploration is encouraged, here are a few suggestions of combinations that work well **based on the key of your flute *highlighted in yellow*** at the top of each table to combat some of the frustration or confusion!

The **light orange highlighted areas** represent tracks that are found on the [Free Spirit Ambient Minor Pads](#).

The **light blue highlighted areas** represent tracks that are found on the [Free Spirit Ambient Major Pads](#).

Have fun as you unleash your Free Spirit while playing the Native American Flute!

-Jonny Lipford
