DRIFT SOFA

# DRIFT SOFA

Introducing a modern pared back version of our Drift Sofa. Maximum comfort using medium density foam, without the feathers. Choose to have three cushions across, or two oversized for simplicity.

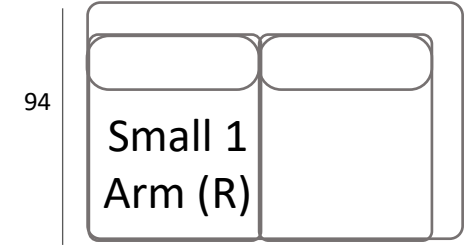

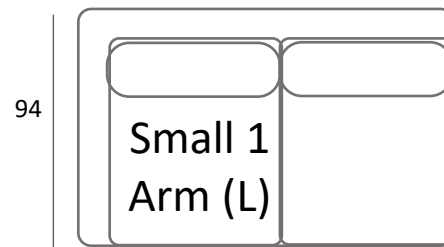

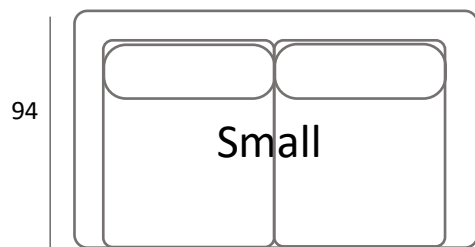

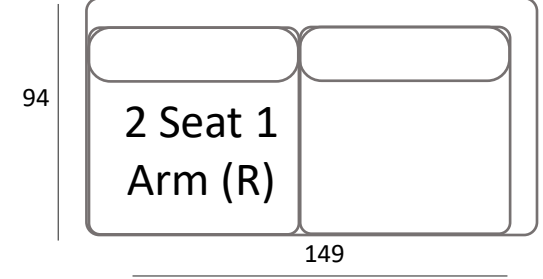

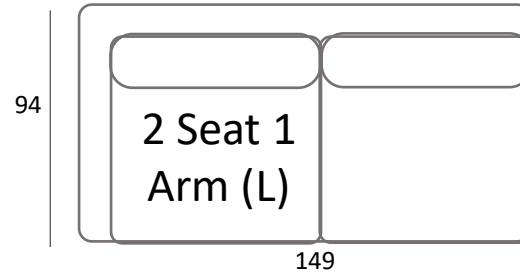

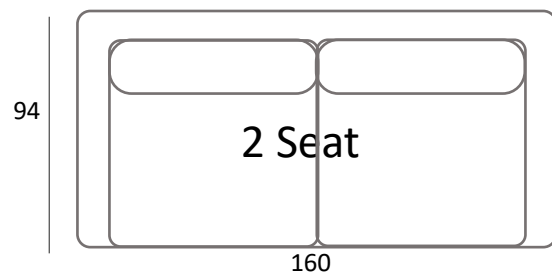

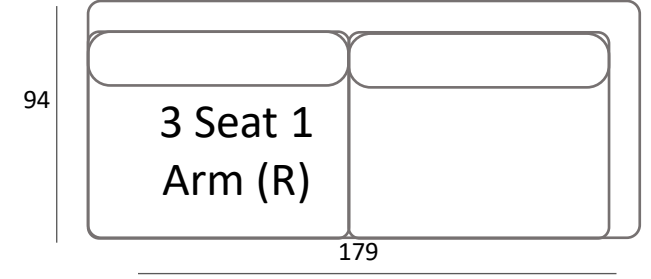

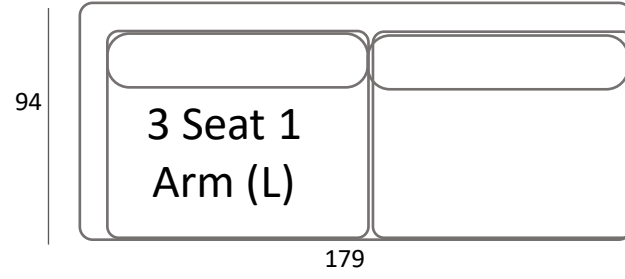

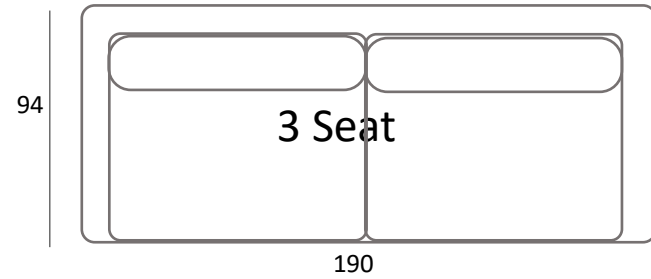

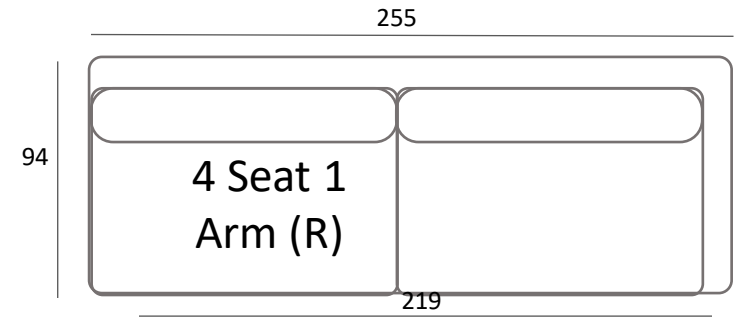

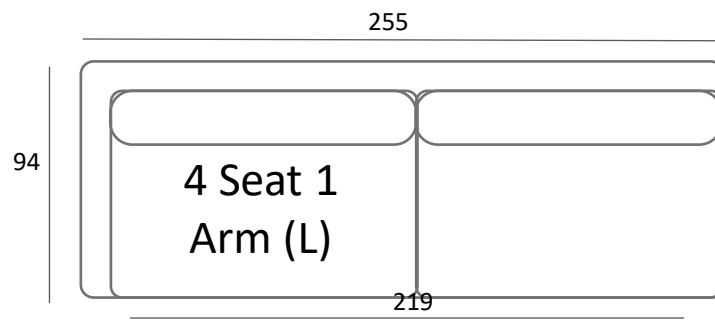

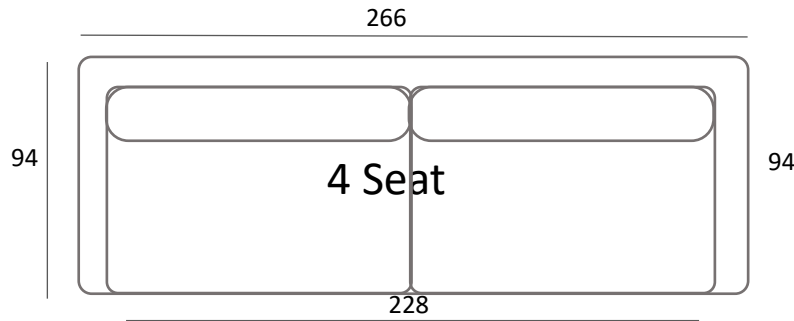

The seat and back cushions are constructed from commercial grade, medium density foam wrapped in techron. The frame, made from pine, is offered with a 10 year guarantee.

Choose from a range of fabrics, including those designed specifically for families

Designed and made in NZ within a short 8 week timeframe of order placement. A 50% deposit is required to secure your sofa.

This brochure is a guide to all Drift unit sizes, sample configurations and appropriate fabrics
