HALE SOFA

HALE SOFA

Designed to look and feel relaxed, our Hale Sofa is made in Christchurch, New Zealand to our own design. It is exclusive to Corcovado.

With a removable loose cover, the Hale Sofa is luxuriously comfortable and deep at 950mm. The slim arm is modern, but practical enough to allow a coffee cup to be perched on top.

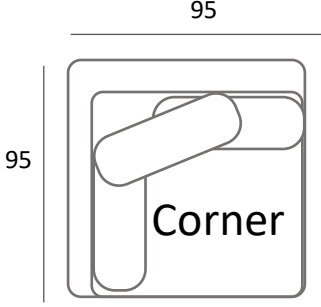

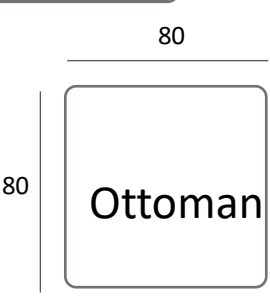

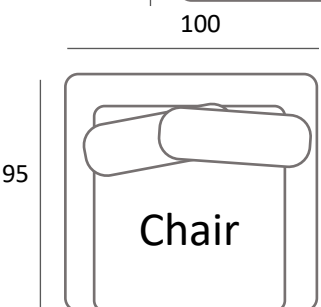

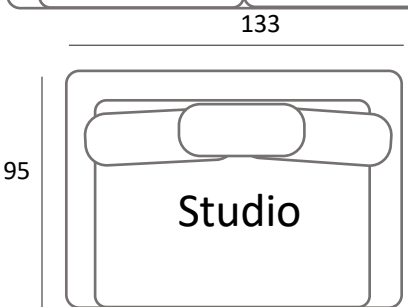

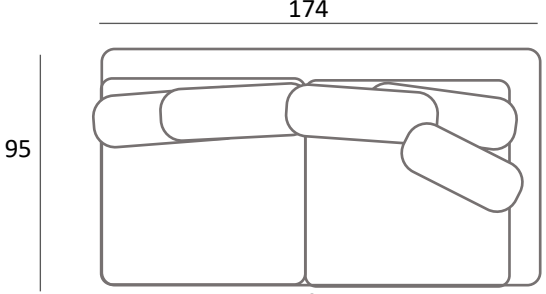

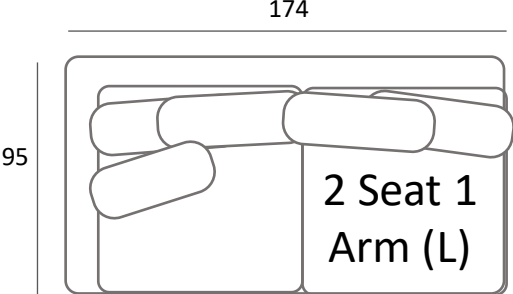

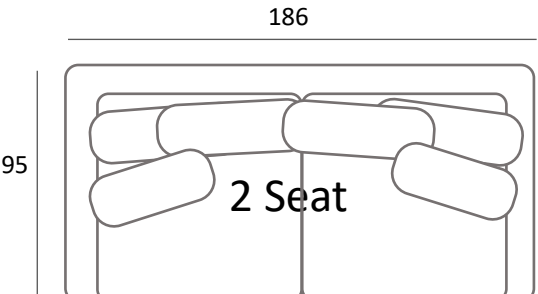

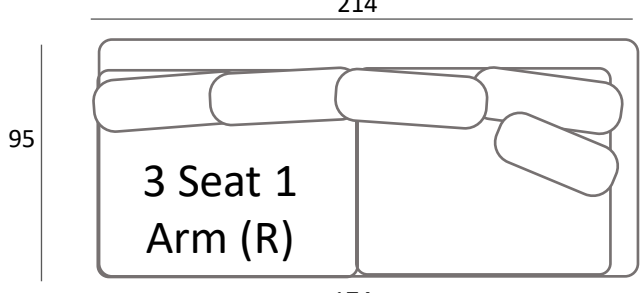

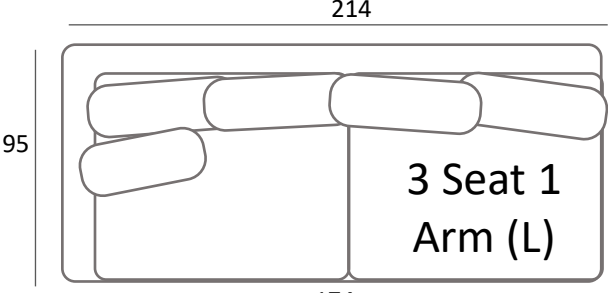

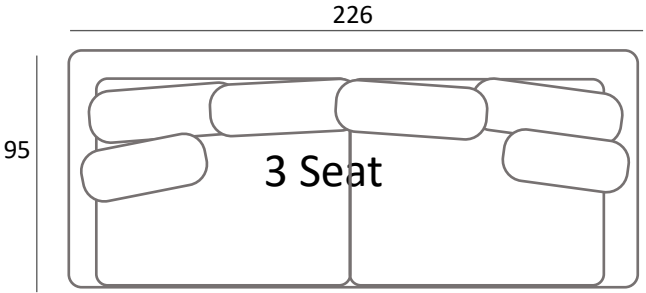

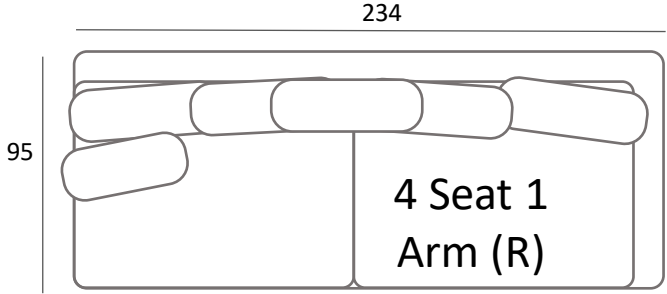

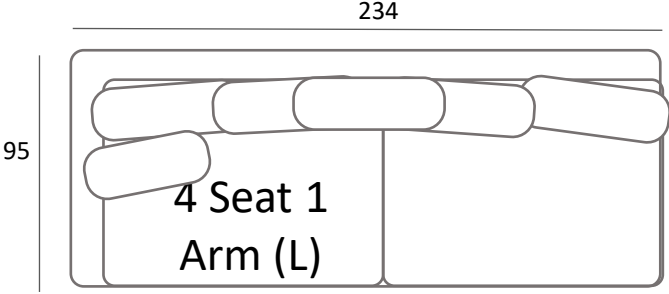

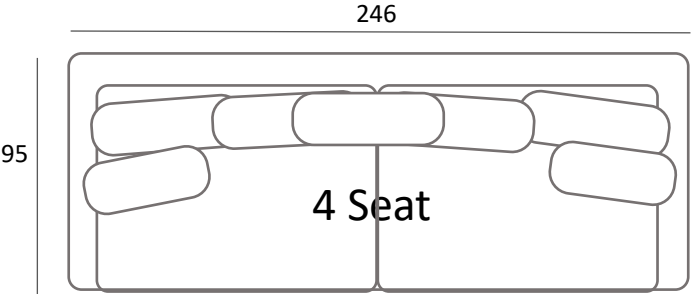

The seat cushions are made from commercial grade Elephant Foam wrapped in a feather duvet. The back scatter cushions are filled with feathers and small pearl/fibre balls, offering both softness and structure.

Choose from a range of fabrics, including those designed specifically for families.

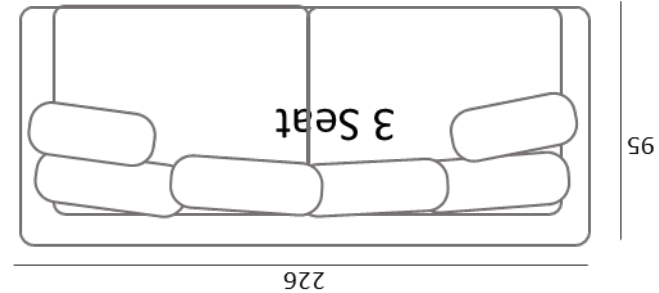

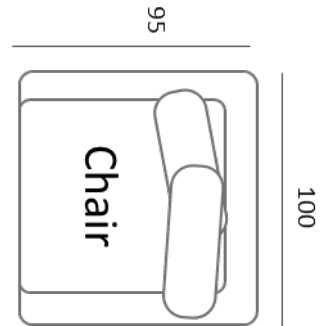

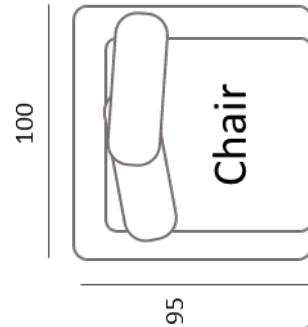

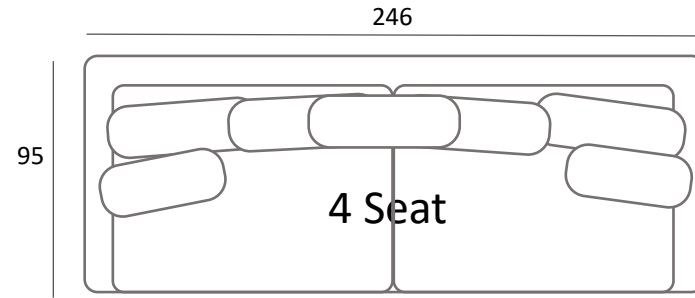

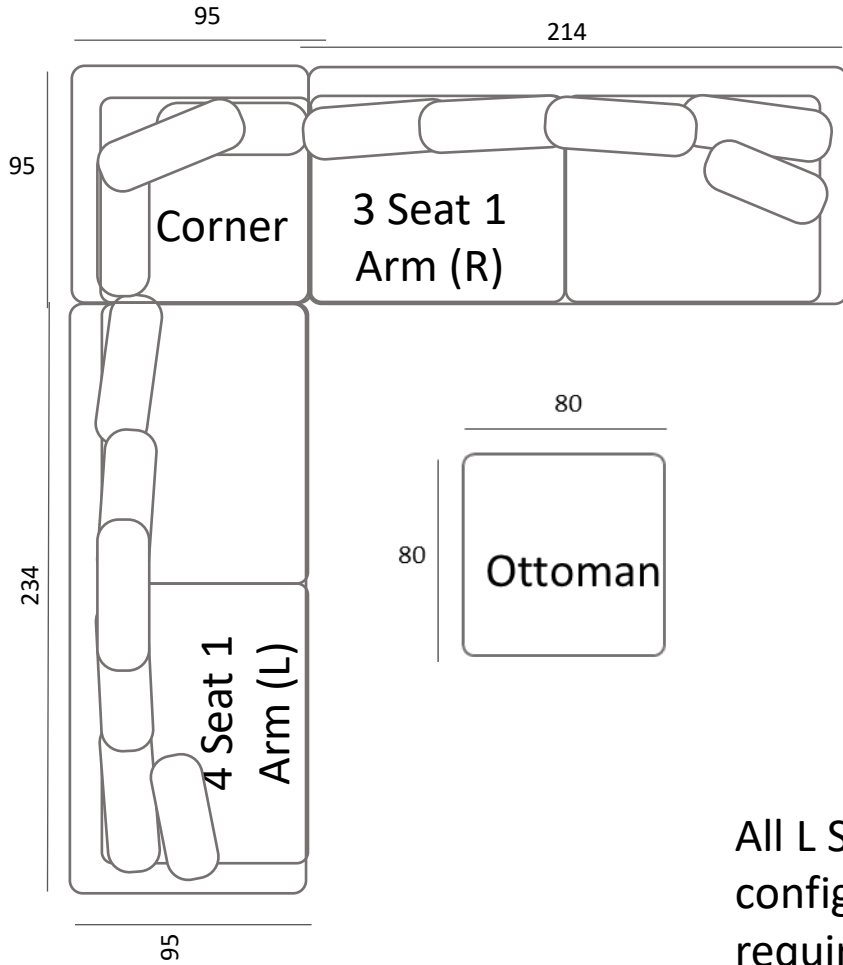

Our usual make time is 8 weeks. A 50% deposit is required to secure your sofa.
