

Contract Manufacturing Fragrance Selection Guide: Streamlining Your Scent Direction

How to Choose Your Perfect Fragrance:

1. Browse the scent families below
2. Select a family that appeals to your product vision
3. Let our fragrance specialists know which bestseller from that family aligns with your concept
4. We'll provide expert recommendations and formulations based on your selection

Next Steps

After selecting your preferred fragrance family and reference scent, our team will provide you with three custom formulations within that olfactory direction. These references will allow you to evaluate different interpretations of your selected fragrance style before finalizing your manufacturing specifications.
