FA8 SOCKET LED LINEAR TUBE
8FT 40W

DESCRIPTION
Our 8 foot LED tubes are compatible with virtually every 8ft fluorescent light fixture, making it the perfect replacement for fluorescent lights. The power consumption of this LED tube light is 36W and we stock them in the following colors: 4000K, 5000K and 6000K (clear and frosted). These power saving, eco-friendly bulbs contain NO Mercury and have a working lifespan of up to 50,000 hours or more. Since there is NO Mercury in the glass, there are NO regulated universal waste rules or fines. They are ETL Listed and they come with a 3 year warranty!

WARRANTY
This product has a warranty for a period of 5 years from the date of purchase. The warranty is invalid in the case of improper installation, tampering, or removal of the Q.C. date label. Installation in an improper working environment or installation not according to the current edition of the National Electric Code also invalidates the warranty. Should this product fail during the warranty period, it will be replaced free of charge, subject to correct installation and return of the faulty unit. Greentek Energy Systems does not accept responsibility for any installation costs associated with the replacement of this product. This warranty is in addition to the statutory rights in the country of purchase. Greentek Energy Systems reserves the right to alter specifications without prior notice.
