

LED U-BEND TUBE

15W

DESCRIPTION

Our LED U-bend tube light has been designed and engineered for demanding commercial applications. This fixture is a bypass ballast and replaces a fluorescent tube in both look and performance. This tube light is also UL Listed, which means it comes with a full 3 year warranty.

WARRANTY

This product has a warranty for a period of 3 years from the date of purchase. The warranty is invalid in the case of improper installation, tampering, or removal of the Q.C. date label. Installation in an improper working environment or installation not according to the current edition of the National Electric Code also invalidates the warranty. Should this product fail during the warranty period, it will be replaced free of charge, subject to correct installation and return of the faulty unit. Greentek Energy Systems does not accept responsibility for any installation costs associated with the replacement of this product. This warranty is in addition to the statutory rights in the country of purchase. Greentek Energy Systems reserves the right to alter specifications without prior notice.
