THE WINE RAYZYN COMPANY'S NEW PRODUCTS BIG HIT AT HOLIDAY DPI SHOW

NAPA VALLEY, Calif. (May 11, 2016) - The Wine RayZyn Company is pleased to announce the launch of two sister products to the successful CabernayZyn line of delicious and wholesome RayZyns. The expanded list of products including ChardonayZyns, MerlayZyns, and a new sampler pack of all three were first introduced at the Holiday DPI earlier this month. "The new product lines were tremendously successful," says company Co-Founder, Andrew Cates. "Our innovation is really paying off as our market grows with a product that that is healthy, delicious, and represents the best in sustainable agriculture."
