CABERNAYZYN SELECTED AS VIP GIFT AT 2016 MARTHA'S VINEYARD WINE FESTIVAL

NAPA VALLEY, Calif. (May 15, 2016) - The Wine RayZyn Company's CabernayZyns were recently selected as a special gift for each VIP attendee of the 2016 Martha's Vineyard Wine Festival.

The Martha's Vineyard Wine Fest is both an annual celebration of food and wine and a fund-raiser for local island charities. The wholesome and delicious CabernayZyns were also provided to chefs with the goal of gaining awareness among the prestigious group of culinary experts who participate in the event. The event took place from May 12-15, and CabernayZyns were extremely well received.

According to Marnely Murray, Festival coordinator, the event staff was thrilled to have CabernayZyns for the VIPs and chefs, as they are a great combination of food and wine. "Our guests see a lot of great wine at the event, so it was amazing to have them experience something that is wine-oriented but is also so unique."
