

Smart Lock Pro

+ Connect Wi-Fi Bridge

The ultimate lock for your smart home

Lock and unlock your door from anywhere, grant secure access to friends and family, and track who is coming and going, all from the August app.

Automatically unlocks when you arrive and locks when you leave.

Works with all three voice assistants - Siri, Alexa, and the Google Assistant.

Features

Upgrade your existing lock

Simply attaches to your existing deadbolt, on the inside of your door. Your existing keys will still work.

Total control

Lock and unlock your door, grant keyless access and keep track of who comes and goes, all from your August App.

Auto Unlock

Auto Unlock knows when you arrive and unlocks the door as you approach. Never fumble for keys again.

Auto Lock

Enable Auto Lock and never worry if your door is locked again.

Be sure its locked

Only August has DoorSense™, a sensor that tells you if your door is securely closed and locked.

Control guest access

Send guest secure keys to friends, family or people you trust instantly, all from the August app.

Complete

Includes August Connect WiFi Bridge which connects your lock to the cloud, so you get full voice and remote access functionality right out of the box.

Apple HomeKit enabled

Control your lock with your voice with an iPhone, Apple Watch, Apple TV, HomePod or iPad.

Use your voice

Tell Alexa, or the Google Assistant to lock, unlock or check the status of your front door.

Z-Wave Plus onboard

Z-wave wireless technology integrates with the largest selection of home security systems and home automation hubs.

Pairs with all August Doorbell Cams

See and speak to visitors and let them in.

Premium Design

August Smart Lock Pro is built with premium components and features LED lights and chime tones to complement your lock movement.

Bank Grade Security

August uses AES 128 bit and TLS encryption which is used by banks for maximum security of digital communications.
